(DATE OF SIGNATURE)	

Dear Sir:

Applicants' attorney submits herewith the International Search Report for the corresponding PCT application and full text literature cited therein that he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

Each item of information contained in the accompanying information disclosure statement was cited in a communication from a foreign patent office

(Europatent Office) in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists (37 CFR 1.97(h)). Further, the filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

The information disclosure statement submitted herewith is being filed within three months of the filing of a national application; within three months of the date of entry of the national stage as set forth in 37 CFR 1.491 in an international application; or before the mailing date of a first Office Action on the merits, whichever event occurs last.

Respectfully submitted,

PRETTY & SCHROEDER, P.C.
